

MARY R. VECK TO BE QUEEN OF FRONTIER

Ione Ghirard Wins Second
Place and Ida Costa Comes
In Third In Contest

MARY RAMONA VECK
Queen of the Frontier

Miss Mary Ramona Veck of Downieville, California, was elected Queen of the Truckee Frontier last night, with a vote of 12,040 votes.

Ione Ghirard came in second in the contest with 11,600 votes and Ida Costa won third place with 11,534 votes.

The contest was one of the most spirited ones ever held in the region, and the results were very much in doubt up to 9:00 P. M. last night.

Each of the three contestants put up a big fight and each had many boosters and supporters who worked hard for the victory of their favorite candidate.

Miss Veck—one of the most popular girls of the Downieville Region, and the daughter of Mrs. Margaret Elaine Lambert, Sierra County Treasurer of Downieville, had the full support of her region, and won many friends and admirers in Truckee during the short time she was here yesterday afternoon soliciting votes.

Miss Veck has a most appealing personality, and Truckee is very proud, indeed, to have her for the Frontier Day Queen.

Ione Ghirard and Ida Costa will act as Miss Veck's ladies-in-waiting, and will ride horseback directly in back of her in the Big Frontier Day parade on Sunday.

In addition to valuable prizes, the Queen Committee will provide costumes, etc.

Miss Veck will be presented to Governor James Rolph and his party of aides on Saturday evening upon his arrival, and she will head the Grand March on the Reviewing platform. She will also be presented to the visiting governors upon their arrival in Truckee on Sunday.

We heartily congratulate Miss Veck on her victory in the Queen Contest, and also Miss Ghirard and Miss Costa for the splendid showing which they made.

GUESTS WHO WILL BE PRESENT FOR BIG CELEBRATION

Governor James Rolph, Governor of California; Will Rogers, nationally known cowboy philosopher; Col. Roscoe Turner, Military Aide to Governor Rolph; Commodore George Hearst, Naval Aide to Governor Rolph; James Dean, Sacramento City Administrator, Special Aide to Governor Rolph.

Governors John G. Winant of New Hampshire; Floyd B. Olson of Minnesota; Guy P. Park of Missouri; Henry H. Blood of Utah; Oscar K. Allen of Louisiana; Sennett Conner of Mississippi; Herbert H. Lehman of New York; John C. B. Ehringhaus of North Carolina; Paul V. McNutt of Indiana; Wilbur L. Cross of Connecticut; Alf M. Landon of Kansas; Jno. Garland Pollard of Virginia; F. B. Balzar of Nevada; F. H. Cooney of Montana; Theodore Francis Green of Rhode Island; C. Ben Ross of Idaho; William Langer of North Dakota; Benjamin B. Moeur of Arizona; Gifford Pinchot of Pennsylvania; Clyde L. Herring of Iowa; David Sholtz of Florida; Clarence D. Martin of Washington; and Ex-Governor C. A. Hardee of Florida, Secretary of the Conference.

E. H. Walker, manager, Reno Chamber of Commerce; Robert A. Peers, Mayor, City of Colfax; State Senator J. L. Seawell; H. E. Owens, Inland Manager, Pacific Telephone and Telegraph of Sacramento; Walter A. Folger, Assistant vice president, Pacific Telephone and Telegraph of San Francisco; William H. Rapp, postmaster, Loyalton.

National Governors' and Frontier Day Special Issue

Truckee Republican

Serving 5,000 Readers in Truckee-Lake Tahoe-Sierra Region

65TH YEAR, NUMBER 21

TRUCKEE, NEVADA CO., CALIFORNIA, THURSDAY, JULY 20, 1933

ESTABLISHED 1869

GOVERNORS WILL ARRIVE HERE 11:00 A. M. SUNDAY WILL ROGERS AMONG NOTABLES TO BE HERE

AERIAL BOMB SALUTE FOR GOV. ROLPH

Local Committee Plan Big
Welcome When He Arrives
in Town on Saturday
Evening With His Aides

When Governor James Rolph of California arrives in his motor car from Sacramento on Saturday night at 9:00 P. M. with his guests on the way to the Nevada-California State Line to greet his distinguished visitors coming on a Special Train, which is due at midnight, the Governor will receive a hearty and enthusiastic welcome.

The Truckee Post American Legion Drum Corps will meet the Governor at the Post Office and escort him to the Sierra Hotel, while an aerial salute of nineteen guns are boomed in his honor from the winter sports hill.

After the Governor has rested for a short time he will be escorted to the platform on the plaza, where an Indian band will serenade him and the Frontier Queen will be presented.

The Governor will be accompanied to Truckee by his Military Aide—Colonel Roscoe Turner, and his naval aide, Commodore George Hearst, editor-publisher San Francisco Examiner.

Will Rogers, nation-wide known cowboy movie star and columnist, will also be with the Governor. The Committee will endeavor to have Will Rogers make a few remarks from the platform on Saturday night. On Sunday Will Rogers will be asked to drive the old stage coach in the Frontier Day parade.

After the celebration on Saturday night, Governor Rolph and his aides will all go to the state line where the special train from the East with the visiting Governors will be held up and a salute boomed out into the night, after which the Governor and his aides will board the train and go on to Lake Tahoe, returning to Truckee on Sunday morning at 11:00 A. M.

15 TRAFFIC OFFICERS WILL HANDLE TRAFFIC

Chief Raymond Cato of the California Highway Patrol was in town last Sunday to make arrangements to handle the crowds at the big celebration, and there will be fifteen traffic officers here under the direction of Inspector Quinn and Captain Blake of the Highway Patrol.

Every possible precaution will be taken to properly safeguard the big crowds which will be here.

WELCOME

By Griffith Bonner

Welcome to Tahoe and Truckee
We hope you will come here again
Our region is right highly honored
To welcome the Governors' train.

Leaders from over the nation
In high places of public trust
We welcome to lands of the gold rush
Where Forty Miners made it or bust.

We of the Sierras are honored
And wish you God speed on your way
Our city of Truckee says greetings
It yours, men—for Governors' Day.

Plans Complete for Old Time Frontier Day Celebration

Spectacular Parade With Pony Express, Old Stage Coach, Indians, Scouts, Indians in Full Regalia. Will Rogers Invited To Drive Coach. Indians Will Give Ceremony Dance. Stage Coach Robbery Also In Program

MEET THE CHAIRMAN

C. B. WHITE,
Chairman Frontier Day
Committee

Never in the history of this old frontier town has such an event been planned as the big National Governors' Day and Frontier Day Celebration to be held on Saturday and Sunday.

Never in the history of the Sierra Region has such a gathering of distinguished guests ever been assembled, including Governor James Rolph of California, Hon. George H. Dern, Secretary of War of the United States, Will Rogers, nation-wide known cowboy-movie star and columnist, Colonel Roscoe Turner, famous aviator, George Hearst, editor of the San Francisco Examiner and a host of the outstanding men of Nevada and California.

The motor caravan—consisting of thirty state cars, will bring the Governors and their staffs and aides to Truckee on Sunday, and it is scheduled to arrive at 11:00 A. M. The colorful Frontier Day parade will start immediately after the arrival of the caravan. The Governors' Party will review the spectacular parade from the Reviewing Stand erected directly in front of the Southern Pacific station on Commercial Row.

Special features of the celebration include a stage robbery, Indian ceremony dance, the Pony Express, and many other Frontier Day events.

After the celebration for the Governors has been concluded (about 11:30 A. M. they will be escorted in their motor caravan to the Donner Memorial, three miles west of Truckee, and there, Hilliard Welch, Past President of the Native Sons, will deliver a short address on the tragic history of the Donner Party.

Detail of the other events to be given on both Saturday afternoon and evening, appears elsewhere in this issue.

The committee in charge of this celebration, under the leadership of Charles B. White, executive chairman, has been burning the midnight oil for many nights in an effort to put on a celebration which will be long remembered by the citizens of California, as well as our honored guests.

The local business men have co-operated to the fullest possible extent in decorating their establishments, and the town—dressed in its flags, bunting and streamers—presents a most festive appearance.

FLAGS OF ALL STATES FOR THE CELEBRATION

Through the courtesy of Ted Hull, of Oakland, who has had charge of the decorating of the streets and business establishments in town, a special feature of the celebration will be a guard of honor, carrying the flags of every State in the Union. The guard of honor will accompany each Governor to the reviewing stand and stand in back of each Governor with the flag of his state.

Announcement has been made of the birth of a son to Mr. and Mrs. E. L. Loynd in Berkeley on Wednesday.

Dr. V. E. STORK is an obstetrics specialist in Los Angeles.

40 & 8 LEGION INITIATION HERE SATURDAY NITE

Legion Will Put On Most of
Colorful Degree Work on
Public Streets for Entertainment of Visitors

In addition to all the other "doings" here on Saturday, first day of Truckee Frontier Celebration, the American Legion will add their bit in the way of a colorful initiation to a group of Nevada County legionnaires into the La Soiete Des 40 Hommes et 8 Chevaux, commonly known as the 40 and 8.

A greater part of the spectacular degree work will be done out on Commercial Row on Saturday evening by the Susanville and Alameda degree teams. The degree work is commonly known among legionnaires as putting on the "wreck," and according to those who know, it is one of the most thrilling and interesting initiations known.

The new local Voiture Locale, to be established here on Saturday night will cover Nevada County.

The initiation will be under the personal direction of Chet Mello of Stockton, Calif., Grand Chief De Gare. The following legionnaires will be initiated: James Melver, Hugh McColl, Harry Benson, Doc Abernathy, Jasper Archie, Frank Kime, Frank Patton, Frank Holt, James Perry, Chas. Winslow, Henry Anderson, Sheriff George Carter, Harry Edwards, Freddie Hosford and Joe Maloney.

FRONTIER QUEEN WILL LEAD THE PARADE SUNDAY

The Frontier Day parade on Sunday will be led by the Frontier Queen, accompanied by her ladies-in-waiting, who will ride on horse back directly in back of the Queen.

COMMUNITY PROGRAM

The Truckee Republican stands ready to extend every possible aid to the following progressive community program.

1. The establishment of a park alongside Southern Pacific Company's property on Main Street, with trees, shrubs, flower beds and a fountain.
 2. Moving the Memorial at the State line to the new proposed park.
 3. Building of a Community Building with suitable auditorium for public gatherings, and a gymnasium for the young people of the community.
 4. The erection of suitable Welcome signs at the east and west entrance to Truckee.
 5. Establishment of fish rearing ponds by the California Fish and Game Commission along the Truckee River.
 6. Operation of water systems by the Truckee Public Utility District to enable cheaper rates.
 7. Forming a new county consisting of the Eastern end of Placer and Nevada County, to be known as Tahoe County and with Truckee as the county seat.
- Such a move is imperative for the development and expansion of the Truckee-Tahoe-Sierra Region.

WELCOME GOVERNORS

It is with a feeling of great pride and honor that the people of Truckee, Nevada County, and in fact—the entire State of California extends the hand of welcome to Governor James Rolph Jr. and his guests—the governors of many states of the Union, who will arrive in Truckee on a special train next Sunday morning.

The citizens of Nevada county and Truckee deem it a most unusual privilege to have the opportunity to put on a National Governors' Day and Frontier Day celebration in honor of such distinguished guests.

Our hearts glow with pride and great emotion as the day of the big celebration draws near. Never, in the history of the Sierra Region, has so great an honor been conferred upon us, and we recognize and are mindful of the great recognition which Governor James Rolph Jr. has bestowed upon us.

We would have our distinguished guests know that the latch-string is out; that all which we have is theirs; that we are sincere and wholehearted in our desire to give them a welcome which they will remember for all time to come.

And we would also have all the other visitors; many of whom rank high in the affairs of the nearby counties—know that we are very happy to have them join us on this day of days. It is also an honor to share our happiness of having such notable guests with all the rest of the people of California and our good friends and neighbors over the border of Nevada.

WELCOME GOVERNORS!

We are, indeed, most happy to have you with us.

USEFUL RACIAL PRIDE

Now Italy is reported as planning to spend \$3,000,000 for propaganda in other countries. There are about 10,000,000 Italians living abroad, nearly half of them in North America. The Italian government reaches them through schools, Fascist organizations, charity, movie films and speakers. It seeks to make them proud of their names and ancestry and proud of their mother country.

So long as there is no teaching of disloyalty to the adopted country, there is little menace in the cultivation of love of Italy in emigrated Italians. Many Americans have decided that understanding and love of the mother country are real helps to the Americanization of foreign-born residents. They encourage self-expression in such alien groups through their native culture—folk dancing, dramatics, music and so on. They believe it leads to appreciation and enrichment of the culture of the adopted country.

If however, the primary purpose of this new propaganda is the spread of Fascism among Italian-Americans, that is not so good. We can welcome Old World cultures more freely than Old World political and economic systems.

CONSERVATION COMMUNISM

One of the reports current lately in some of the government forestry camps is that Communists are trying to get control of the Civilian Conservation Corps. Some, at any rate, are occasionally found trying to spread Communist propaganda among their comrades.

"We watch them pretty close," says one of the com-

WELCOME TO CALIFORNIA

25th Conference of Governors, California, July 23 to 29.

manding officers, "and as long as they do their work and don't talk too much, we let them stay."

That is a sensible way to treat them. There is likely to be some red doctrine among any considerable group of people, even in this conservative country, at a time when Communism is so prominent in the world picture and economic and political theories are in state of flux. But it probably stands less chance in America than anywhere else in the world.

At any rate, whatever Communist pressure exists in our forest camps or our cities can probably be eased off better by letting it out than bottling it up. Dangerous reds, treated lightly and laughed at, instead of being made important by martyrdom, usually grow less dangerous. Our more jittery conservatives need to learn this fact.

Meanwhile the Communist brethren in the forestation camps might be reminded of those tragic lumber camps in Arctic Siberia, to which the Russian government sends those who disagree with it.

'WARE SWINDLERS

The Better Business Bureau of New York gives warning that there is renewed activity of swindlers as business steps up and financial sentiment improves. It shows in many forms, from worthless stock promotions to petty gambling schemes.

This activity will spread. Crooks find good fishing in the waters of inflation. A buyers' market offers opportunities for a host of crooks. New reform legislation is expected to discourage swindling in securities and banking, but the swindlers will find ample opportunity in other fields.

Your Good Health

Early Attention Will Prevent Trouble and Cure Cancer

By CLAUD NORTH CHRISMAN, M.D.

THERE are a few positive things that we know about cancer. First, cancer follows some injury, infection, or irritation. These are not necessarily severe enough to attract the patient's notice and may have been present for years. Fortunately we are not all susceptible to cancer. Some persons are immune to it, but no one knows who is susceptible and who is not; so we must always have it in mind. By that I do not mean that we should all be fearing it and dreading the possibilities of having it. Instead we should be careful not to neglect any chronic infection or injury, and should be careful to have any small irritation or irregularity attended to.

DR. CHRISMAN

cers are of the uterus and that they follow injuries of childbirth or infections of the uterus itself. We do not know that cancer is a bacterial disease, but we do know that it follows inflammations and injuries. Any tear or infection of the uterus should be cured; any injury or infection of the uterus should be carefully watched.

WE SHOULD dread cancer just enough not to neglect any conditions that might lead to it. Cancer is curable in its early stages and there are enough pre-cancerous signs that the possibility can be seen and remedied. The cancers of the skin can be seen and diagnosed early and removed either by surgery or radium. Internal cancers, and those of the breast and glands, are not so easily found, but we know that fully 80 percent of the internal can-

cers are of the uterus and that they follow injuries of childbirth or infections of the uterus itself. We do not know that cancer is a bacterial disease, but we do know that it follows inflammations and injuries. Any tear or infection of the uterus should be cured; any injury or infection of the uterus should be carefully watched.

THE STATE FAIR

By Griffith Bonner

Truckee, Lake Tahoe, and residents of this region are fortunate in having the California State Fair at Sacramento September 2 to 9 practically at their doorstep.

The State Fair is educational for young and old—packed with thrills and sights that only such an exhibit can offer.

Live stock of the best; art, preserves, farm machinery, the produce of the soil of the grand and glorious state of California. Horse racing, both light harness and running events with a record entry list.

Competition between the young and old in spelling, agricultural pursuits and other lines. Plenty to see and plenty to do. The future farmers of America, young girls and young boys of our wonderful state, in competition for prizes. With the World's Fair this year in Chicago, this is Fair Year. Pack up the old motor car with Pa, Ma and all the youngsters—spend a vacation at the State Fair and forget cares and la-

The Governors' Trees

By Griffith Bonner

Tahoe Tavern at Tahoe City, neighbors to Truckee, are to be congratulated by this entire community for their step in having a tree dedicatory ceremony on Sunday, July 23, in honor of the visiting governors. In the Redwood grove, trees will be named in honor of the distinguished visitors. A brass name plate with the name of a governor and the date will be placed on each tree. This will be a historical and epoch making occasion. The Redwoods will grow at Lake Tahoe and endure all kinds of weather and storms, and be handed down from generation to generation so that in many future years guests at the Lake will recall the Governors' visit.

Somehow the sturdy trees straight and tall, withstanding winds and weather, resemble the Governors from the various points of the nation, whose duties are to guide their ships of state thru tempests and squalls into the quiet harbor of peace and efficient statesmanship. In these rather troubled times it takes men of vision, knowledge, patience and statesmanship to govern the destinies of our various states.

We welcome the Governors to Lake Tahoe and Truckee and our wish is that like the Redwoods their years may be many and their accomplishments great to live after them in the pages of history for many years—like the long life of the trees.

Prelude in Green

The year turns gladly back to green, beyond

The arras of the winter is displayed
That lighter green, reflected in the pond,

That softer green, a tenuous brocade
Trailing the gentle hill slopes. Once again,

There is a stir of freshets and of rills

And one may follow many an open glen

And come abrupt upon the daffodils.

The heart turns back to springtime as the bird.

See, where the willow breaks to silver, one

May see a robin flashing in the sun.

The golden spears are trembling if I stirred

The moss apart beside the rivulet—

My hands would snare again the violet.

HAROLD VINAL

bor for awhile. Sacramento is calling you. LET'S GO!

Protection

UNUSUAL conditions confront the world today. Where a sense of security formerly obtained, there seem to be change and fluctuation, engendering lack of confidence and safety; hence the need of protection looms large in individual thinking. This is no new experience. From time immemorial men have been in quest of protection for themselves, their families, and their belongings, and human experiences show that only in the measure of its spiritual stability has it been secured. When the foundation of protection rests in matter, it is subject to change and other vicissitudes, carrying a modicum of fear, anxiety, and foreboding.

Protection is ordinarily regarded as preservation from danger, harm—some phase of evil. When properly understood in its widest application, protection should be a guaranty of immunity from all discord. Where is that to be found? In Spirit, where protection expresses the unerring law of God—a sure defense in all circumstances. But the question may arise, How can Spirit deal with material objects? In this connection Mary Baker Eddy, the Discoverer and Founder of Christian Science, has rendered incalculable service to humanity through her promulgation of the fact that God, the creator of the spiritual universe, including man, is the divine Principle of existence. On page 468 of "Science and Health with Key to the Scriptures" Mrs. Eddy gives the fundamental teaching of Christian Science: "All is infinite Mind and its infinite manifestation." Thus Mind is seen to embrace all causation, and the experience of each generation adds weight to the Biblical saying regarding a man, "As he thinketh in his heart, so is he."

Spiritual thinking is constructive, but material thinking, so called, is destructive. To illustrate, one seemingly unemployed and vainly seeking a position through various channels may become imbued with the apparent futility of it all. He is depressed if not hopeless, thus clogging his right thinking and thereby proportionately incapacitating himself for right acting. The remedy is to abandon negative thinking and take hold of the fact that as a child of God he is under the divine government and all that pertains thereto. It is for him to reflect God through His ideas, to keep himself actively employed in entertaining them. Fear, depression, and hopelessness will soon give place to love for God and man; to joy, hope, and assurance of

good. Radiating these thoughts and the good which he realizes and claims from his heavenly Father will open to him the proper channels, where his own need will be met.

Another may have misgivings as to his business prospects. His thought may dwell upon trade depression and closed avenues of activity until he becomes befogged with the clouds of apparently overwhelming difficulties. Turning resolutely from that uninviting contemplation, let him look up to the all-powerful and ever-present goodness of God. In the divine economy there is enough and to spare; prosperity is undiminished therein, and never for a moment inactive or suspended. There fluctuation is unknown. As one depends upon that sheet-anchor and exchanges his material thinking for spiritual ideas and qualities, such as intelligence, wisdom, justice, honesty, and goodness, the outward manifestation of God's good will to man will be expressed in his human experience. God is beneficent, a bountiful rewarder of all who diligently seek Him and do His will. To be under God's protection is to be allied to the one never failing spiritual source of good.

Through the study and application of Christian Science it has been proved that there is no condition or circumstance that cannot be brought under the protection of God, the all-embracing and imperishable Love which fills all space. This veritably is the gospel of Christ Jesus, and as demonstrable today as it was of yore on the shores of Galilee.

The Bible abounds in helpful, comforting narratives and practical admonitions for everyday present use. One such assurance is, "The eternal God is thy refuge, and underneath are the everlasting arms; and he shall thrust out the enemy from before thee; and shall say, Destroy them." Good thoughts are a shield and refuge; they individualize divine power and dispel evil suggestions which are the enemy of mankind. Thus right thinking and right doing carry with them the fruition of goodness, power, protection, and peace.

Mrs. Eddy wrote to her students in a letter published in "Miscellaneous Writings" (p. 263): "How blessed it is to think of you as 'beneath the shadow of a great rock in a weary land,' safe in His strength, building on His foundation, and covered from the devourer by divine protection and affection. Always bear in mind that His presence, power, and peace meet all human needs and reflect all bliss."—The Christian Science Monitor.

Governors Who Will Be Present At Truckee Frontier Celebration

All California will play host to the chief executives of more than two score states when they gather July 23 to 29 at the 25th annual conference of governors, and here are some of the notables who will attend: Top row, left to right, Alf Landon, Kansas; ex-Gov. Carl Hardee of Florida, secretary; C. Ben Ross, Idaho; Fred Balzar, Nevada; John C. B. Ehringhaus, North Carolina; Clyde L. Herring, Iowa. Middle row, Herbert Lehman, New York; Theodore Green, Rhode Island; Gifford Pinchot, Pennsylvania; David Sholtz, Florida; Fred Olson, Minnesota; Dr. B. Moore, Arizona. Lower, John J. Winant, New Hampshire; Henry Blood, Utah; Eugene Talmadge, Georgia; Wilbur Cross, Connecticut; John Pollard, Virginia, and Guy Park, Missouri.

UNLUCKY THIRTEEN NO HOODOO TO RAILROAD RECORD IN SAFETY

The unlucky number thirteen has been no hoodoo to the safe handling of passengers on Southern Pacific trains.

This hurdling of a jinx was revealed today in the announcement by J. H. Dyer, vice president of the railroad, that the company has completed thirteen years without having a fatality among its passengers due to a steam train accident on its 9000 miles of lines in six western states.

In establishing this remarkable record in the safe handling of passengers, the railroad has transported 439,634,990 persons during the thirteen years an accumulative distance of 19,517,948,155 miles, or the equivalent of 783,790 times around the earth, Dyer stated.

The fact that the operation of every train over the railroad's main trunk lines is protected by automatic block signals, a precaution which Southern Pacific leads all other railroads in the world, is declared by Dyer to be an important factor in making the safety record possible.

NEW WATER WAR IMPENDING OVER LITTLE TRUCKEE

Sierra Valley diversion of Little Truckee River water, claimed by valley ranchers under an old grant and purchase and through right of continued use and claimed by Nevada state authorities to be taken by extra-legal means, is again at the point of causing an eastern flareup.

Officials of the Truckee-Carson Irrigation District and Senator P. A. McCarran have requested the federal reclamation service to institute suit in the federal court to prevent this diversion.

At the present time the diversion amounts to sixty second-feet of water.

"Thousands say:
Give us a bank statement we can read and understand"
Here it is!

RESOURCES

Cash in Vault and in Federal Reserve Bank . . . \$33,657,034.63
This item represents actual cash in the bank's own vaults and in the Federal Reserve Bank.

Due from Banks . . . \$51,457,054.37
This represents deposits made by us with correspondent banks throughout the nation, includes exchanges for clearings, cash collections, etc., etc.

United States Government Securities . . . \$184,589,525.16
This represents obligations of the United States Government which are considered in almost the same classification as cash, since United States Government Bonds are readily sold on any market or discounted immediately upon presentation to the Federal Reserve Bank. This item alone represents about 64% of the total bond investment.

State, County and Municipal Bonds . . . \$84,039,957.86
This item includes general obligations of the State of California, and of counties and municipalities, mainly in California. Such bonds are regarded as next to United States Bonds in soundness. This item, together with the Government Bond account described in item 3, represents better than 93% of the total bond investment.

Other Bonds and Securities . . . \$19,222,310.42
This represents bonds and securities other than those classified in items 3 and 4. This is in line with our policy of making our major investments in United States Government Bonds.

Stock in Federal Reserve Bank . . . \$2,700,000.00
This represents an investment of the capital funds of our bank in the stock of the Federal Reserve Bank. Member banks are required to invest 6% of their capital and surplus, although to date the Federal Reserve Bank has called for payment of only 3%. This amount is repayable to our bank in cash upon withdrawal from the Federal Reserve System.

Loans and Discounts . . . \$490,591,421.21
This amount represents loans secured by first mortgages on choice real properties throughout California and loans made to finance all types of business activity—retail, wholesale, manufacturing, building, agriculture, crops of every kind, shipping, etc.

This money is used not only to improve agricultural lands, build homes and factories throughout all of California, but also to move merchandise, supplies and goods of every conceivable kind and character. Such loans make possible business activity vital to the livelihood of thousands of people throughout California.

Accrued Interest and Accounts Receivable . . . \$9,598,348.04
This represents interest on bonds and loans accrued to the date of this statement but uncollected, together with sundry accounts receivable.

Bank Premises, Furniture, Fixtures and Safe Deposit Vaults . . . \$40,943,090.23

This entire sum represents capital invested by our stockholders in bank buildings, furniture, fixtures and safe deposit vaults in 410 separate banking locations in 243 California communities. Bank of America branches are located in the very heart of downtown areas or important shopping neighborhoods. These locations are among the most valuable sites in each community. They include many large office buildings.

The sum opposite this item represents the combined cost of all property less depreciation. Because the carrying value of these properties is reduced every year by depreciation, the actual value is subject to substantial appreciation.

Other Real Estate Owned . . . \$7,031,989.41
This is other real estate owned, but not presently used as bank premises, and real estate acquired in the settlement of debt, none of which is carried in our assets for more than five years.

Customers' Liability on Account of Letters of Credit, Acceptances and Endorsed Bills . . . \$10,179,818.46
The amount opposite this item represents guarantees of customers for whom letters of credit or acceptances have been issued.

Other Resources . . . \$1,705,335.58
This is a miscellaneous account, including deferred charges, supplies, inventories, etc., etc.

Total Resources \$935,715,885.37

LIABILITIES

Capital (a) . . . \$54,000,000.00
Surplus (b) . . . 36,600,000.00
Undivided Profits (c) . . . 12,817,784.21

The amounts opposite these three items represent monies belonging to the stockholders of our bank: (a) in the form of original capital investment; (b) surplus that they have with the bank as added protection for depositors in the bank's operations; (c) undivided profits, which they have accumulated and not withdrawn, but left with the bank for use in conducting its business and as an added protection for depositors.

Reserves . . . \$8,231,389.45

This represents money which the Board of Directors has set aside, out of stockholders' funds, for Taxes, Contingencies, and to provide for possible losses on loans and shrinkage in the value of bonds or other real estate, or for any other loss not provided for out of current income. This sum is an additional guarantee to depositors.

Reserve for Quarterly Dividend Payable July 1, 1933 . . . \$775,000.00

The Dividends recently declared were at the annual rate of \$3,100,000 thus resuming regular payments which were made on an uninterrupted basis for the 27 years of the Bank's existence preceding October 1, 1931.

Circulation . . . \$43,500,000.00

The amount opposite this item shows national bank notes issued by Bank of America and now in circulation. They are backed by government bonds which our bank has deposited with the Treasury of the United States, plus a 5% redemption fund. Bank of America pays for the printing of these notes, plus a 1/2 of one per cent tax per annum for the privilege of issuing them.

This item represents Bank of America's policy of wholehearted working to help California by keeping as much money as possible in circulation.

Bills Payable and Rediscounts . . . None

The major high light revealed by the Statement is the entire liquidation of the Bank's borrowings, which were \$146,455,000 when the present management assumed control.

As we examine the Statement today, we find that in the short period of about sixteen months, the entire debt has been paid.

Liabilities for Letters of Credit and as Acceptor, Endorser or Maker on Acceptances and Foreign Bills . . . \$10,378,102.10

This represents letters of credit, acceptances and endorsed bills issued to facilitate the export and import, transportation and storage of commodities and is secured by collateral or customers guarantee.

Commercial Deposits . . . \$181,246,346.34

This represents commercial deposits of our customers (demand deposits) placed with our bank by corporations, firms and individuals. This money is usually deposited in checking accounts to meet commercial requirements and is subject to payment on demand as authorized by the depositor.

Savings Deposits . . . \$586,167,263.27

This represents savings deposits (time deposits) which are usually placed with our bank by individuals for extended periods of time. Experience shows that these deposits are subject to very infrequent withdrawals.

Bank of America has the largest number of savings depositors of any bank in the United States. This enormous fund of savings entrusted to us by a tremendous list of depositors is an unusual factor of safety to every depositor due to the permanence of savings deposits.

TOTAL DEPOSITS
(COMMERCIAL & SAVINGS)
\$767,413,609.61

Bank of America National Trust & Savings Association, a National Bank and . . . Bank of America, a California State Bank . . . are identical in ownership and management . . . 410 offices in 243 California communities

'Hello Daddy'

Mother says to be sure and bring home a copy of the Truckee Republican. The Truckee Republican is read in nine out of every ten homes in the Truckee - Hobart Mills - Lake Tahoe Sierra Region. It publishes more news of this region than all other newspapers published put together.

TAHOE REGION NEWS

By "SWANEE"

Everett Foster, popular singer of NBC fame, and his party of nine from San Francisco spent the week end as guests at Valentine Lodge near the Tavern. They were enthralled with the beauties of Tahoe and anticipate returning soon for a more extensive visit.

Mr. and Mrs. Joseph Haber Jr. of San Francisco, accompanied by Richard and Harold Haber, are spending several days as the guests of Mr. J. T. Clark at Guth-A-Wing. David Farmer Jr. of San Francisco has also arrived to spend some time at the Clark residence.

Roxana Holmes entertained recently over the week end the Misses Margaret McMahon and Dorothy Schneider of Clarksburg.

Mr. and Mrs. Lief Nielsen of Homewood are the proud parents of a baby girl born Friday, June 30th at Folsom. She has been named Marie. Mother and baby are both doing nicely and are expected home in the very near future.

On Wednesday Sherwood Prusso was accidentally injured by his little brother Donnie. A steel magnet in the form of a horse shoe with which they were playing struck him near the bridge of the nose and on his cheek, necessitating several stitches being taken by Dr. Pedersen.

Miss Ruth Melhany of Hayward house guest of the Breese family on Nelson Heights at Homewood had the thrill of catching a good sized trout while vacationing here. Miss Florence Anthony of Oakland was also a guest at the Breese home.

Mr. C. P. Johnson, while fishing from a wharf at Homewood, caught a 23 inch trout recently which he proudly took back to his home at Antioch to display to his friends.

Mr. and Mrs. Wm. Hughes have opened their Homewood home for the summer.

Occupying a cabin at Hillside are Messrs. Ted Hull, Harry Benson, Robert Hull and Mrs. Gertrude Hull all of Oakland. Mr. Hull has charge of the decorations for the American Legion display in Truckee on Frontier Day.

Mr. and Mrs. O. E. Harden and son Otto of Hollywood were recent house guests of the Frank Hardens at Lake Forest.

Mr. and Mrs. J. Mylchreest of Placerville were visitors at the home of their daughter Mrs. Frank Harden over the week end.

Mrs. E. Berg and daughter Dorothy of Sacramento were visitors at the home of Mrs. Si Bell over the week end.

Mr. and Mrs. Henry Kanter and son Gerald Wright Kanter returned to San Francisco on Saturday after a delightful two week's stay at "Westlake" as the guests of the A. R. Westphal family. With them also returned Stuart Hilliard who was the house guest of J. T. Clark.

Mrs. Nina Rogers was hostess at a delightful bridge luncheon at her home in Tahoe City on Tuesday. Members of the Tuesday afternoon Contract Bridge Club which enjoyed the delicious luncheon and afternoon of cards were Mesdames George Bliss C. O. Valentine, Dave Chambers, Frank Pomin, Eva Nelson, Lucy Fabians, C. Trickey, G. Hunkin, E.

The lovely new home of Mr. and Mrs. J. Debenedetti, adjoining the A. R. Westphal residence, has been completed, or nearly so, and the family are now occupying it. F. A. Kilner and Co. were the builders, and George Rossi was the architect. Much credit is due both of these parties for the many delightful and unusual features of this artistic home. Every piece of furniture within the house was specially designed by Mr. Rossi and the rare and unique patterns and colorings all with sand blast finish, are exquisitely beautiful. The family includes Mrs. J. Debenedetti Sr., her son and wife Mr. and Mrs. J. Debenedetti Jr. (a bride and groom of only a few months), her daughters the Misses Rosemary Lorraine and Joan Debenedetti and Miss Regina Cuneo. Mr. J. Debenedetti Sr. is expected to join his family in the near future for a vacation.

Senator Roy Fellom of San Francisco, his wife, two children and brother, Landon Fellom of San Jose, spent the week end at Chamber's Lodge. They expect to return again in August for a more protracted visit.

Mrs. Chris Nielsen of the Sunnyside district was hostess at a delightful party last week honoring Miss Roxana Holmes, daughter of Mr. and Mrs. George Holmes of Clarksburg. The rooms were decorated with pansies and wild flowers and cards provided the evening's entertainment. Delicious refreshments were served following the card playing in buffet style. Those who enjoyed Mrs. Nielsen's hospitality were Misses Roxana Holmes, Barbara Howrigan, Marian Chin, Jane Reamer, Betty Olson, Louise Yelland and the following young men: James Christie, Douglas Brayton, Louis Ehret Jr., Wilfred Heringer, Martin Spitz, Gus Olson Jr., and Mesdames Marie Faucett, Gus Olson Sr., Hazel Holmes and the genial hostess Mrs. Chris Nielsen, who also presented Miss Holmes with a beautiful guest prize. First prizes of the evening were won by Marian Cain and Gus Olson Jr. and the consolations by Jane Reamer and Wilfred Heringer.

Dr. G. B. Fuessel and his charming wife are now occupying their summer home at Homewood, where at night the light of a highpowered globe high at the top of a hundred feet tree conveys to the world that his dentist office is now open for business. Dr. Fuessel, who lives in Altadena (with offices also in Pasadena), is specializing this year in extracting and oral surgery, and will remain here at the Lake until around the first of September. Dr. Fuessel last year started the inhabitants of Homewood by padding in company with Mr. L. Nattkemper of Long Beach, across the lake in three and three-quarters of an hour in only a light canoe. The Fuessels are entertaining as house guests at present Mrs. Fuessel's father, Mr. L. Bowers of Altadena, Miss H. Crow of Alhambra and Mr. L. Holloway of Los Angeles, who will remain for several weeks. They are also digging a fine new well, their neighbors Mr. and Mrs. Chester Slinger being co partners.

Homewood Clubhouse is proving one of the most popular dancing pavilions this year on the lake. The

dance last Saturday night was the best attended this season, with a fine crowd, many of whom were from Truckee, Reno, Hobart Mills and neighboring hamlets. Bill Peterson's orchestra is receiving many favorable comments for fine peppy music and tantalizing syncopation.

Distinguished guests at Homewood Hotel include Capt. and Mrs. Chas. Wall of San Rafael, Mr. and Mrs. W. J. Rooney and child of Sacramento, L. E. McNeie and wife of Sacramento, Mrs. E. L. Husse of Newcastle and Fred L. Husse of Auburn.

George W. Appelfson Jr., nephew of Mrs. A. W. Jost of Homewood, died on May 27th as the result of an auto accident suffered on May 9th. The accident occurred in Santa Rosa, but he died in the Lane Hospital in San Francisco after an operation for resetting a broken leg from which he never rallied.

Mrs. Ed Saul of Fair Oaks, who was spending several days with Mrs. Robert Watson at Tahoe City, was called home unexpectedly last week because of the sudden illness of her husband.

Mrs. Fred Kirk, who underwent an operation in a Sacramento hospital recently, died on Monday. Her husband is employed at the Log Cabin.

The Log Cabin nightly affords a pleasant evening's entertainment with music by Joe McCaffery's orchestra and fine cold beer on draught.

Mrs. F. T. Martin, Mrs. Clay Ward and Miss Barbara Mitchell of Rio Vista have taken the Spence Black House for several months. Mr. and Mrs. F. E. Mitchell of Rio Vista are expected up over the week end. Guests of the household who have returned to their homes after a week's visit are Miss Louise Emigh of Isleton and her brother Edgar and Mr. W. W. Smith of Ryde.

Harold T. Clark, prominent attorney of Cleveland, Ohio, and his party of nine are guests of Chamber's Lodge. Other distinguished guests include Father Jerome Luthenger and his mother of Sacramento, Senator Dan Williams and wife of Chinese Camp, Mrs. Frank Ringland of Des Moines, Mr. and Mrs. E. Windler of Salinas and A. Newcomb and N. Rogers of Beverly Hills.

At Tahoma Hotel are S. B. De Hart and family of Sacramento, Mrs. J. Debenham and daughter of San Francisco, G. A. Fiske and family of Oakland, Mr. and Mrs. Chas. Cavagna of Burlingame and Mr. and Mrs. M. D. Murphy of Mill Valley.

English Village guests include Mr. and Mrs. E. T. Grimm of Stockton, Mrs. E. E. Grimm of Sacramento, Mr. and Mrs. V. J. Votaro of Pomona and Mr. and Mrs. E. C. Votaro of Whittier.

May E. Chambers of Oakland is spending a week at Squirrel Inn.

STARTING JULY 1st

GLEN ALPINE NEWS

The lakes in the high Sierra around Glen Alpine continued generous in rewarding fishermen during the past week. Fishing in the streams is now improving, for they are becoming less turbulent.

Of the more than thirty lakes and streams within six miles from Glen Alpine, the best angling just now is Grass Lake, Susie Lake, Gilmore Lake, Lake of the Woods and Glen Alpine Stream. The most successful flies include the black gnats, the brown hackle and the bucktail while such bait as worms, grubs and spinners continue good.

We do not rent tackle and we only sell such supplies as leaders, flies and spinners.

The weather is excellent now; warm during the day and cool after twilight.

MEEK'S BAY ITEMS

By Mrs. Chas. Heller

The third card party of the season's series was held on Wednesday, July 12th, in the Meeks Bay dance hall, accommodating 56 players. The first ladies prize was won by Mrs. A. Hurlock of San Rafael.

Mrs. Allison of Los Angeles won ladies second prize. First gents was won by Sam Tatiellan of Los Angeles. All were guests of Meeks Bay.

Mr. and Mrs. Rex Parker and George Buck, all of Stockton, are guests for two weeks at the Meeks Bay Hotel.

Captain Hans Hansen of Rubicon Lodge was host on Sunday night at a dinner party served in a most delectable fashion. The table in the dining room was beautifully decorated. On each end of the table was a lovely bouquet of garden flowers artistically arranged towering above them on each end of the table were tall candles held in crystal holders.

After partaking of a most delicious dinner the guests repaired to the living room where an enjoyable evening was spent until a late hour when more refreshments were served in the dining room before the departure of the party.

Those attending the enjoyable affair were Mrs. Minnie Price of Las Vegas, Nevada, Miss Nell Price of Columbus, Ohio, Mr. Max Zersch of San Francisco, Harry Grayson of Los Angeles and Mr. and Mrs. Chas. Heller of Meeks Bay.

Mrs. Price, who was the guest of honor, is a talented sketch artist and colorist, a member of the Higher Water Color Society, former Art Supervisor in the Columbus, Ohio schools and at present a teacher of art in Las Vegas, Nevada.

Mrs. Price, with her daughter Nell, have been guests at Chambers Lodge for the past two months, and will remain there until the first of August, when they will return south via the coast route, stopping in San Francisco and spending a few days in Monterey and the Artist Colony at Carmel, where Mrs. Price expects to do some water color sketches of the rugged coast of the Monterey Peninsula.

C. W. Russel and wife of Tahoe City escaped what might have been serious injuries when their car hit a small boulder and overturned just south of Meeks Bay.

Mrs. Russel was badly cut about the face and her body badly bruised. Mr. Russel received several severe scalp wounds requiring several stitches.

Mr. John Cook, employed in the Meeks Bay store and who resides near the scene of the accident, after hearing the crash rushed the injured couple to the Tavern Hospital where they were treated by Dr. Pedersen.

Mr. and Mrs. Russel are well known in the Tahoe vicinity where their friends wish them a speedy recovery.

L. Herman and mother of San Francisco, Mr. and Mrs. Earl E. Morey of Inglewood, H. H. Matthews of Sacramento, W. C. Welch and wife of Oakland and A. G. Fancloth of Los Angeles, Raymond Cato and family of Sacramento were visitors at Tahoe Inn over Sunday. He is chief of California Traffic Patrol.

An orchid this week goes to Inspector McKee from Homewood residents for suppressing speeders thru their residential district. His efforts are being greatly appreciated because of their effectiveness.

NORDEN NEWS

By C. W. KRAMER

One of the most pleasant gatherings were held on Monday evening of this week when the Harold G. Boomer family had as their guests at their home at Old Summit Mr. and Mrs. Clarence N. Libby, Miss Gladys Stark of Sacramento and Wayne F. Libbee, a popular young beau brummel of B&B 108. Cards and Jig Saw puzzles were indulged in and at the appointed hour a waffle supper was served with Wayne Libbee taking high score in the waffle eating contest. The number consumed has not been learned.

The Lionel Snelling home on Woolworth Drive was the scene of much merriment on Friday evening of last week when several prominent Norden families gathered to make the party a success. Many games and various entertainment functions were indulged in and John Snelling with his fiancée, the Miss Harriett Christensen of Oakland, carried off high honors in the bridge game. At the stroke of twelve a tempting luncheon was indulged in by all present and all showed their appreciation as thoroughly satisfied. John Snelling was congratulated by all present.

Miss Harriett and Hazel Christensen of Oakland have been the house guests at the Lionel Snelling home for several days.

Mrs. Ethel Threlkel, who has been absent from the Summit Summer School for the past two weeks on account of being called to the bedside of her mother who resides in Clairborne, Colorado, has returned as teacher of her class this week. She reports that her mother is much improved. Mrs. M. Ammon, who has been doing relief duty has returned to her summer home at Cisco Grove.

The Harold Boomer home played host to the return of Summit and vicinity's most highly respected citizen and school teacher, Mrs. Ethel Threlkel, upon her return to her usual post this week.

Several members of the T. V. N., a prominent German Lodge of the Bay district, who maintain a private branch here, are enjoying themselves at their lodge.

Arthur H. Swain and Morris Taylor, prominent trappers of Roseville, are sojourning among the lakes in the vicinity of Norden for several days.

The Andrew Guidi family of Truckee are now enjoying a few days at Tunnel Six where Mr. Guidi is at present located with his Extra Gang.

Wayne B. Sellick, editor of Superior California Section of the Sacramento Bee of Sacramento, accompanied by his wife and daughters Leora and Barbara, are spending their vacation with his parents, Mr. and Mrs. William J. Sellick on Woolworth Drive. Wayne plans to take an extensive fishing trip to French Meadows where fishing is reported at its best.

Andrew Pfeiffer of B&B 108 made a hurried trip to Reno Sunday when it was rumored about Norden that Jack Dempsey was in town with his fiancée and he wished to be the first to glimpse the new Mrs. Dempsey to be, but he was unable to get on the right track.

Mrs. William Seitz, accompanied by her daughter Evelyn, are spending a few days with friends and relatives in Sacramento this week.

Mr. and Mrs. Norden, formerly of Santa Rosa and now of Roseville, accompanied by Mrs. Jurgen

and Douglas Bishop of the same city, were visitors at the W. G. Flickinger home on Woolworth Drive over Sunday. Mrs. Jurgen and Mrs. Norden are Mrs. Flickinger's mother and sister, respectively, and are well known in this section.

Mr. August Olson, formerly Assistant Foreman of B&B 113 was the successful applicant as Foreman of B&B 108 vice J. H. Mahoney, deceased, and has now assumed his assignment. J. Gordon Gran, Assistant Foreman of B&B 106 has assumed a like capacity in B&B 108 effective immediately.

Of the recent arrivals to make their future home at Tunnel Six are Thomas Brown and family, who moved here from South San Francisco and will be connected with the construction of snowsheds near Norden. They now reside on Railroad avenue.

William N. Smith, president of the Bank of America branch at Elkhorn, is making his stay at the J. C. Lyon residence on Norden Terrace.

Mrs. Charels W. Cory, wife of conductor of Norden Fire Train, made a hurried motor trip to Reno on business.

J. F. Foster, Henry Bastian, Raymond Peterson and Claude Britton are all connected with B&B 108, Tunnel Six.

The young women of the Norden community Guild have cast sorrowful glances over the recent departure of the popular and vivacious young Ernest Van Der Volgen of Norden Grocery, who is now assuming a responsible position with a prominent firm in Sacramento. Ernie was prominent in all the social activities of the younger set.

Sacramento was used to good advantage recently when Mr. and Mrs. William J. Sellick Jr. of Norden celebrated their fifth wedding anniversary in which the husband presented his wife with a complete set of "linware," symbolic of the fifth year and while in Sacramento they feasted at Wilsons and made Hotel Senator their headquarters.

Mr. and Mrs. Art Wilson of Rocklin, accompanied by their sons, have arrived with their stock to range for the summer and are located on Norden Meadows.

Miss Marjorie Vanderford of Norden recently spent a few days in Sacramento on a shopping tour.

Miss Mary May, who spent several days at the J. C. Lyon home, has returned to her home at Roseville.

The W. J. Sellick home on Woolworth Drive has been the scene of many card parties where the younger set of Norden congregate to spend their evenings.

Kenneth Lyons is fast proving to be a popular Service Station attendant of the Norden Station, when at any hour during the day and evenings the feminine drivers are and can be seen conversing after receiving service that Kenneth disposes with a pleasing smile that almost invariably brings satisfied customers at all times.

The family of C. W. Kramer of Norden have departed for Marysville, Washington, for a month's vacation to be spent with Mrs. Kramer's mother, Mrs. J. W. Robison along Puget Sound.

Miss Margaret Mead of Oakland is the house guest of the Mike Spaulding residence of Tunnel Six.

STATE TO HONOR
MINING INDUSTRY

SACRAMENTO, Cal., July 20—(UP)—California's gold mining activities, now proceeding at a greater pace than for many years, are given official recognition this year by directors of the State Fair, the program of which for the first time in a decade announces a "Mining Day."

The air directors designated September 8 as the date on which the state's mining industry will be honored. A feature of the program will be a jack-hand drilling contest, in which teams representing the principal gold producing districts of California and Nevada are expected to participate.

Bids will be received by the Meadow Lake Union High School for twenty cords of wood and twelve tons of coal.

Bids will be open until August 1st.

LOTTA BRYANT, Clerk

LEGAL NOTICE

Bids will be received by the Truckee Elementary Grammar School for twenty-five cords of either pine or tamarack wood.

Bids will be opened on the 22nd of July, 1933.

W. H. LAITY, Clerk

LEGAL NOTICE

ON JULY 1st I have leased my stables together with horses and equipment to Lute Thomas, who will conduct all business and assume all responsibility.

SAM COSTA

CAPTAIN BARRETT
TRANSFERRED TO
ALPINE COUNTY

Captain Ernest Barrett of the California State Highway Patrol, who has been on duty in this region for two years and who was recently promoted to captain, has been transferred to Markleeville, Calif., over in Alpine County.

Captain Barrett is perhaps the most popular traffic officer to ever come into this region, and it is with sincere regret that the people of Truckee see him transferred, notwithstanding that his transfer means a promotion to captaincy.

"Ernie," as he is affectionately known by the local citizens, has proven himself to be "a regular fellow," always fair and square and ever on the alert to serve at all times.

His place here is being taken by Traffic Officer A. L. Stuart from Stockton.

FRUIT GROWERS
HAPPY OVER
TRADE PICKUP

LOS ANGELES, Cal., July 20—(UP)—The California citrus industry is on the verge of healthy days, Paul Armstrong, general manager of the California Citrus Growers' Exchange, believes.

These factors influenced his belief:

1. A newly formed alliance between the growers' exchange and the Valencia orange interests.

2. An advertising budget this year of \$1,250,000.

3. General increase in commodity prices.

Under the alliance, the fruit growers' exchange for the first time will undertake distribution of the summer crop of Valencia oranges, estimated at 40,000 cars, Armstrong said.

In the past the exchange distributed only 72 per cent of the California orange crop, whereas, as a result of the new affiliation, 92 per cent of California's oranges will be marketed by it.

Advertising has played a leading part in developing the market for California's citrus output, Armstrong said.

"The exchange has received no requests from members for reductions of advertising, notwithstanding the general business drop," he said. "Our budget for this year is \$1,250,000. In the past 25 years the exchange has invested \$17,000,000 in advertising."

Armstrong reported a much better feeling among growers throughout the state, cheered by the rise in prices of commodities.

Gets Redwood Seeds

SEQUOIA NATIONAL PARK, July 20—(UP)—Dr. Emil Bush Anderson, professor at Aarhus University of Denmark, obtained seeds from the famous General Sherman tree during a recent visit to the park, and announced he planned to attempt to raise redwoods in his own country.

SALINAS, Cal., July 20—(UP)—When A. Steiner was entering a store with a case of eggs on his shoulder two men bumped into him. While he was busy keeping the eggs from falling, they picked his pocket.

Rare Cutting Grown

OREGON CITY, Ore., July 20—(UP)—What was believed to be the only pure white clematis in the United States is growing in the yard of Mr. and Mrs. L. G. Critser's home. The cuttings were brought from England.

Hydronalium, a new secret German alloy, is claimed to be as hard as steel and as light as aluminum.

OWEN ONLY NEVADA
COUNTY BOY TO
ENTER C. M. T. C.

Herman Lawrence Owen of Truckee was the only Nevada county boy among the 587 Californians and 3 Nevada State youths who entered the Monterey Presidio of the C. M. T. C. Camp July 6. The camp will continue until August 4.

BUDGET

TRUCKEE ELEMENTARY SCHOOL DISTRICT
Nevada County for the School Year Ending June 30, 1934

To the County Superintendent of Schools:

The following budget was adopted by the governing board of the Truckee Grammar School District at a regular meeting held June 12, 1933.

W. M. ENGLEHART, President

W. H. LAITY, Clerk

1. PROPOSED EXPENDITURES FOR MAINTENANCE PURPOSES

A. PROPOSED EXPENDITURES:

1. ADMINISTRATION:

	Teachers' Salaries Only	Other Expense	Total
School elections		\$ 15.00	
Business office		25.00	
Other expense of administration		25.00	
Total, Administration			\$ 65.00

2. INSTRUCTION:

Salaries of certificated personnel	\$1,350.00		
Instructional expense		350.00	
Total, Instruction			\$1,700.00

3. OPERATION AND MAINTENANCE OF SCHOOL PLANT:

Salaries and wages	300.00		
Supplies	370.00		
Service charges	150.00		
Maintenance of grounds	200.00		
Repair of buildings	450.00		
Repair of furniture and equipment	50.00		
Replacement of furniture and equipment	50.00		
Total, Operation and Maintenance			\$1,570.00

4. AUXILIARY AGENCIES AND COORDINATE ACTIVITIES:

Recreation			75.00
Total, Auxiliary Agencies and Coordinate Activities			\$ 75.00

5. SUNDRY EXPENSE

Other sundry expense			40.00
----------------------	--	--	-------

6. UNDISTRIBUTED RESERVE

	50.00	40.00	50.00
--	-------	-------	-------

Total, Proposed Expenditures for Maintenance			\$6,500.00
-----------------------------------------------------	--	--	------------

C. TOTAL MAINTENANCE BUDGET (Section A plus section B)

(This Total must equal Total of Division II)			\$6,500.00
----------------------------------------------	--	--	------------

D. ESTIMATED NET INCOME FOR MAINTENANCE PURPOSES FROM ALL SOURCES OTHER THAN CURRENT DISTRICT TAX

(Total of section A, division I)			\$5,106.04
----------------------------------	--	--	------------

E. DISTRICT MAINTENANCE TAX REQUIREMENT

(Excess of section C over section D, preceding)			1,393.96
-------------------------------------------------	--	--	----------

II. ESTIMATED INCOME FOR MAINTENANCE PURPOSES

A. ESTIMATED INCOME OTHER THAN CURRENT DISTRICT TAX:

Balance in district maintenance funds:			
Estimated balance, July 1	165.89	309.84	
Outstanding bills payable, July 1		61.85	
Unincumbered balance July 1 (Excess of item 1 over item 2, preceding)		82.10	82.10
State apportionments	2,553.02		2,553.02
County apportionments	1,531.81	1,021.21	2,553.02
Total, Estimated Net Income Other than Current District Tax			\$5,106.04

B. DISTRICT MAINTENANCE TAX REQUIREMENT (Section E, division I)

			\$1,393.96
--	--	--	------------

HILLIARD WELCH TO MAKE ADDRESS AT DONNER MEMORIAL

Hilliard Welch, Past President of the Native Sons of California, and one of the outstanding men of the State of California, will give the address at Donner Memorial Sunday afternoon, when the Governors gather at that point for lunch, after leaving Truckee.

Mr. Welch is one of the best informed men on early California history, and his address will be one of the highlights of the entire visit of the visiting Governors at their annual conference.

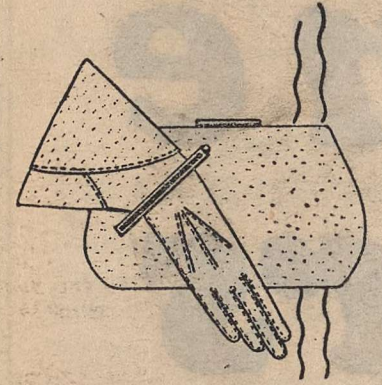

OIL MAY RESTORE WEALTH OF INDIANS

CUT BANK, Mont., July 20—(UP)—An old medicine man's prophecy that the Blackfeet Indians would be restored to their position as the wealthiest tribe in North America soon will be fulfilled, the natives believe.

A wildcat well, drilled on the edge of the Blackfeet reservation, struck oil in paying quantities recently. Flowing at the rate of 100 barrels a day the well was said to have penetrated the deepest oil sands in the Cut Bank area. To date there have been no "dry" wells sunk in this section.

John A. FARM lives in the city of Williamsport, Pa.

Accessories

Copyright, 1933, by Fawcett

All sorts of variations and modifications, involving combinations of fabric with leather, are seen in the adaptations of the spat shoe for fall.

Button or even lace closings, may appear. This model sketched happens to be in black kid with a white kid top.

The handbag and gloves, both of pigskin, are a novelty. An enameled band is posed at the upper left hand which permits gloves to be slipped through and

General Grant's Son

Jesse R. Grant, youngest son of the Civil War general and one-time President of the United States, the immortal Ulysses S. Grant, pictured as he posed recently for a photographer at his home in Los Altos, Cal.

Gay Decorations Put Truckee in Holiday Mood for Celebration

Old Timers all agree, that never in the history of Truckee, has the town been so beautifully decorated as it is at present in readiness for the big National Governors' Day and Frontier Day Celebration.

T. B. Hull, well known decorator of Oakland, has been personally in charge of a crew of decorators for the past two weeks, and they have done a splendid job all the way thru.

In addition to lines of streamers across the main streets, practically every business establishment in town is beautifully decorated with flags, banners and streamers.

Mr. Hull put up the decorations for the big American Legion convention at Portland, Oregon, last year. He also had the contract of decorating Oakland for the state convention of legionnaires last fall.

INDIANS CULTIVATE LAND FOR SUPPORT

TUBA CITY, Ariz., July 20—(UP)—Once feared as one of the most savage tribes that roamed the southwest, the Navajo Indians are becoming peaceful farmers.

On the Western Navajo Reservation here, the tribesmen are tilling their fields, pruning fruit trees and developing an irrigation system that more land might be placed under cultivation.

Supt. Jack Palmer has promised the Navajos all the water they need for their farms, besides furnishing them with fruit trees and farm implements.

He prevailed on the Navajos to turn to the land for their support when their increasing numbers made it almost impossible for them to live on proceeds from sale of sheep.

Germany is using photo-electric rays, a mile long, to protect its border against smugglers. If a person or auto crosses the border an alarm is sounded. Greater protection with fewer guards is said to be the result.

MUSIC? YES, PLENTY OF IT FOR CELEBRATION

The National Governors' Day and Frontier Day Committee has made arrangements to have plenty of music for the big celebration.

The Indian band from Lake Pyramid will be here to play on Saturday night and all day Sunday, and in addition there will be the famous Nevada City Band, which has been attracting so much attention all over the state.

There will also be a cowboys' drum corps from Nevada to pep up things and add to the celebration.

THREE INJURED IN AUTO ACCIDENT NEAR DONNER LAKE

Three women—Mrs. Louise P. Bryant and Marion Wilson of 2113 Broderick Street, San Francisco, and Mrs. F. Summers of Oakland, were injured at 7:30 P. M. last Friday evening, when their car skidded on loose gravel near Donner Lake, and crashed into a tree.

The car was being driven by Mrs. Louise P. Bryant.

The injured were brought to Truckee for medical attention and later sent to a San Francisco hospital on the night train.

Mrs. Summers, an elderly woman, 82 years of age, was the most severely injured, and her recovery was considered doubtful.

The accident was investigated by Traffic Officer Stuart of the Highway Patrol.

NEVADA COUNTYS' TAX DELINQUENCY IS SMALL

NEVADA CITY—A check of the tax delinquencies of Nevada County, compiled by County Auditor R. N. McCormack, reveals that the county has slightly less than 9 per cent of taxes unpaid.

NO PARKING ON COMMERCIAL ROW SUNDAY MORNING

Inspector Quinn of the California State Highway Patrol has advised that there will be no parking permitted on Commercial Row next Sunday from 8:00 A. M. until after the Governors leave for Donner Memorial.

Commercial Row will be roped off during the ceremony held in front of the Reviewing stand. The ropes will be taken down immediately after the Governors leave in their cars for Donner Memorial.

YELLOW AND BLUE BADGES FOR THE RECEPTION COMMITTEE

Members of the Reception Committee for the Frontier Day Celebration will all wear special yellow ribbon badges on next Sunday, in order that strangers may be properly taken care of.

The badges are tastily printed in blue and read—"MEMBER RECEPTION COMMITTEE—TRUCKEE FRONTIER DAYS."

NORDEN NEWS

(Continued from Page 4)

Avenue was pleasantly surprised this week when Mrs. Gertrude Schrieman of Sacramento and sister of Mrs. Wortell spent several days at their home.

Miss Fern Beard, a buyer for the Montgomery Ward Department Store of Sacramento, is the house guest of her mother, Mrs. Charles Church at their home on Woolworth Drive.

Miss Lillian Smith of Sacramento is spending several days at the Charles W. Cory home at Norden.

Mr. and Mrs. Pohn Black of Sacramento are spending several weeks at their private home near Soda Springs.

HAIR REQUIRES SPECIAL CARE DURING SUMMER TO BE LOVELY

THE scorching rays of the hot July sun do devastating things to your loveliness. Most of you have a few tricks up your sleeves, however, to thwart its effect on your complexion.

MISS HUNT

hair, Old Man Sol is apt to turn the deal.

A certain amount of sun is fine for the hair. The ultra-violet rays stimulate the scalp and the sun and fresh air cleanse and freshen the hair and make it softer and fluffier. You are so apt to overdo the job, however. That is the way it is with a good thing! You forget that too much sun will burn the hair, just as it will burn your skin. It will cause it to dry up and break and fade in ugly streaks.

Black or dark brown hair is particularly sensitive to long exposure to the sun's rays. Hair of this type should not be exposed to the sun for more than ten or fifteen minutes daily—and it should be evenly exposed if you value your raven or rich dark locks.

Part your hair an inch from the hairline on your forehead across your head from ear to ear, comb it down over your face and allow the sun to shine on the scalp and hair that is exposed by this new deal. Part your hair again, an inch farther back, and continue the sunning until the entire scalp

feels alive and stimulated. Wear a large brimmed hat the rest of the time when you are in the sun, to prevent streaking.

Some hair is made lovelier by moderate exposure to the sun. Certain golden brown, blonde and titian hair becomes lovelier and brighter if you give them a lot of sun. You see the sun affects the pigment that colors the lot of sun. You see, the sun affects the pigment that colors the hair just as it affects the pigment in the skin and causes tanning. Be sure, however, that all of your hair receives the same amount of sun and that you give it special treatments to prevent dryness.

Most of you will be wise, during the summer months, if you will use a tonic compounded specially for dry hair, an occasional hot oil shampoo and a lot of brushing. Use just enough tonic to moisten the scalp once a day. Apply it with a medicine dropper or with a pad of absorbent cotton, to insure your getting the tonic on your scalp, where it will do most good, instead of all over your hair. Part your hair down the middle first and apply the tonic along the part. Part it again an inch to the right, repeating until you have gone all over your head and the scalp is damp. Then using your fingertips, massage the scalp thoroughly until the tonic has been absorbed.

Many girls wear a different coiffure in the summer to facilitate hairdressing and to add to their coolness and comfort. As a rule, shorter hair in the summer is best both for you and for your locks. For one thing, short hair doesn't need to be curled and waved so often, so there is less danger of extreme dryness and broken ends. If you swim a lot and bask on sunny beaches, you will appreciate a short coiffure and a permanent wave. I'll tell you more about it tomorrow.

Boy Catches Shark

TACOMA, Wash., July 20—(UP)—Thirteen-year-old Gordon Klinge's

dream of doing something big came true here recently. While fishing for minnows he caught a 75-pound shark after a two-hour battle.

WOMAN SAVES S. F. MAN FROM SUNKEN AUTO

Heroism of his girl companion on Saturday night saved the life of Edward J. Egan, 24, 61 Hill street, escrow officer of the Northern Counties Title Insurance Company, when the automobile in which they were driving to Reno plunged over an embankment into the Truckee river.

The heroine is Miss Marie O'Connor, 19, 3574 Twenty-second street. Despite the icy water Miss O'Connor struggled from under the overturned car to find Egan still submerged, his coat caught fast in the wreckage.

TAKES OFF COAT

Keeping herself afloat, the plucky girl reached under the water and tore at the garment. All efforts to rip it free failed. Then her coolness and heroism came to the fore. She reached inside the coat and pulled first one arm and then the

other out of the sleeves, and Egan was free.

But her work was not yet finished. Desperately she fought the swift current, holding her companion's head above the water and clinging tightly to part of the machine which was projected above the surface.

FATAL CURVE

The car left the road at Fly-caster's curve, a dangerous bend three miles from Truckee, where the highway is joined by a dirt road leading to the San Francisco Fly-caster's Clubhouse. Accidents, many of them fatal, are frequent at this point. Two months ago a Reno man was killed there.

Both suffered severe shock, but were otherwise uninjured. After drying their clothes and overcoming the effects of the icy water they continued their journey to Reno where they will visit with friends.

In sub-zero weather the sudden freezing of moisture in the breath makes a faint singing noise. Red rain, caused by dust picked up by sandstorms in the Sahara desert, fell at Lake Garda, Italy.

The Golfing Governors

By Griffith Bonner

TAHOE CITY (Special)—July 20—Who is the best golfing governor? This question is said to have arisen among the group of Governors coming west and it may be settled on the beautiful golf links of the Tahoe Tavern, Lake Tahoe, early Sunday morning, July 23.

The Governors are scheduled to arrive at the Lake at 1 A. M. that morning and could tee off for at least a nine hole round on the 2830 yards—par 34 links for nine holes.

Walter Rounsevel, the genial host and manager of the Tahoe Tavern has generously offered both the use of the links and caddies to the honored visitors. Governors do golf well; we learned this from golfing rounds with Governor Henry Allen of Kansas and Senator Arthur Capper of Kansas a former governor of the Sunflower. We do not believe the record of 63 strokes held by Johnny Perelli, club professional, is in danger, but we do know that some governors can swing both the big stick and a mean golf stick!

Clark in New Field

SALK LAKE CITY, July 20—(UP)—Reuben Clark, former United States ambassador to Mexico, has been appointed director of the Equitable Life Insurance Society of the United States.

VACATIONS and HEALTH

By Dr. ERNEST H. LINES
Eminent Authority and Chief Medical Director
New York Life Insurance Company

THE OPEN ROAD

THE call of the open road lures many a vacationist. Well-marked, smooth highways throughout the nation carry millions of people every summer to historic spots or other places of interest, or perhaps to the seashore, mountains or elsewhere.

Although it would seem that sufficient advice and warning had already been given on how to avoid automobile accidents, yet the automobile is responsible for about 100,000 accidental deaths every year. A disastrous crash is one of the quickest ways to bring a happy holiday to a tragic conclusion.

Drive carefully always. Slow down at all crossings, and stop unless you can see a long way both right and left. Although you may think you have the right of way, the other fellow might not agree. So don't take chances. Stop at all railroad crossings and drive cautiously in congested areas, particularly where children may be playing in the street. You may lose a few seconds of time, but you may save a life.

Have your car checked over by a competent mechanic before starting a trip. Brakes, steering gear, headlights and tires should be in perfect condition.

If you drink alcoholic beverages, let someone who does not drink drive the car.

Don't drive if you enjoy taking chances. More than your own life and safety depends on who is at the wheel. Don't try to pass a line of cars unless the road is clear a long way ahead, ample warning has been given, and you can pass while driving cautiously. Don't try to pass any car if you have to rush to make it.

The mentality and physical condition of the driver are equally as

important as the condition of the car, if not more so. Intelligence and quick perception and reaction are essential. People with heart disease or other serious ailments make better passengers than drivers.

Don't drive if you are tired. Many accidents occur from drivers dropping asleep at the wheel and waking up in the hospital.

If you are driving across country, don't try to drive too far each day. The tendency is to increase speed and to take greater risks the longer a person has been driving. Don't wait until the gasoline tank is almost empty before stopping for rest and relaxation. If more than one person in the car can drive, change places often.

Make cross-country driving a vacation, not a contest to see how far you can drive each day or how quickly you can get from one place to the next.

This is the fourth of a series of 12 articles on Vacations and Health. The fifth, on Food, Milk and Water, will answer the questions:
1. What diet is best in hot weather? 2. How can you be sure of drinking only pure milk and water? 3. What are common causes of "acute indigestion"?

MAY YOUR CALIFORNIA VISIT BE A PLEASANT ONE

Old Dobbin Popular Again After Years Leave of Absence

By MELVIN LORD
(United Press Staff Correspondent)
Special to The Truckee Republican
SACRAMENTO, Cal., July 20—
(UP)—California once again is singing the old song about horses, horses, horses.

Dobbin, it would appear from a survey made by state officials, is back again in the good graces of the farmer, principally because it's cheaper to operate a hayburner than a gasoline burner.

The demand for horsepower on the hoof has increased to such an extent that there have been numerous importations of horses and mules, particularly in southern California, according to the state division of animal industry.

For several years California's horse population has been decreasing. Last year there were 129,874 horses in the state, including 300 in Nevada county, as compared to 145,380 in 1931.

Economic conditions, however, have made the horse a more dominant figure in the state agricultural picture. While this change may not be responsible for an increase in the state's total of horses, this year, it is considered likely it may check the downward trend, temporarily at least.

Statistics on file with the state department of agriculture show that the use of horses has been increasing throughout the United States as well as in California.

In addition to the economic phase recent passage of the pari-mutuel horse race betting bill is expected to give considerable impetus to the local breeding of thoroughbred stock.

Particular provision was made in the law to encourage California breeders, and state records in the future very likely will show a substantial increase in thoroughbred racing stock as well as in heavier types of animals for farm work.

PRIORITY OF HORSES ON ROADS UPHELD

LOS ANGELES, Cal., July 20—(UP)—Capt. J. H. Hanby asked that an ordinance be passed prohibiting horses on county roads.

"Riding of saddle horses along the coast highway in the Malibu district, particularly at night, constitutes a menace to traffic," he said.

"Horses were here first," retorted Supervisor John R. Quinn. "The highways originally were built for them and man."

The board of supervisors denied the request.

Birds Die In Crater

PORTLAND, Ore., July 20—(UP)—Bodies of 200 pileolated warblers were found frozen in the snow inside the crater at the top of Mt. St. Helens. Hikers who scaled the peak found the bodies. The birds were believed to have taken refuge in the crater during a storm.

Christian Science

"Truth" will be the subject of the Lesson-Sermon Sunday, July 23, in all Churches of Christ, Scientist, branches of The Mother Church The First Church of Christ, Scientist, in Boston, Mass.

The Golden Text will be: "The Lord is good; his mercy is everlasting, and his truth endureth to all generations" (Ps. 100:5). Other Bible citations will include: "These are the things that ye shall do; Speak ye every man the truth to his neighbour; execute the judgment of truth and peace in your gates" (Zech. 8:16).

The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The way to extract error from mortal mind is to pour in truth through flood-tides of Love. Christian perfection is won on no other basis." (p. 201).

MUSEUM TO HOUSE CUSTER SOUVENIRS

HARDIN, Mont., July 20—(UP)—Visitors to the Custer battlefield, where the famed general made his "last stand," soon will find a museum of battlefield relics open to them.

Dr. Thomas Marquis, historian, collector, author and student, has selected a site for the museum, which will house his collection of battle relics picked up from the field and obtained from the survivors of those killed in the engagement.

SILVER RETURN PLAN OUTLINED BY UTAH SOLON

PROVO, Utah, July 20—(UP)—Restoration of silver must come through unity of western congressional delegates backed by whole-hearted support of the people, in the opinion of Rep. J. W. Robinson.

Leading senators should be given the task of bringing the question definitely before Congress to determine the economic future, which, Robinson said, was dependent on silver being restored to its position of five years ago.

Passage of the bill providing free coinage of silver was made by white-metal enemies, but never will be used by the president, the Utah congressman said. It was a trick to sidetrack the proposed restoration bill, that had it passed during the last session, would have raised the price of silver to 60 or 76 cents, he asserted.

Restabilization of silver would bring favorable results throughout the world, especially such silver-using nations as China, Robinson said. International business between America and China dropped from \$78,000,000 in 1925 to \$30,000,000 in 1931 he said, because the latter country did not have enough gold to keep up the pace.

"If silver could just be tied up with gold and thus stabilized, it would have a tendency to bring back prosperity," said Robinson.

S. D. RIDDLE, Manager

Missouri War Time Governor First To Arrive for National Governors' Celebration

Hon. Frederic D. Gardner, War time governor of Missouri during 1917-21, arrived on the Pacific Limited Monday afternoon with Mrs. Gardner. They were the first to arrive in town for the National Governors' Day Celebration next Sunday.

Mr. Gardner is a member of President Roosevelt's Advisory Committee for National Recovery, a committee consisting of seven members and headed by Gerald Swope.

Mr. Gardner is a very close friend of President Roosevelt, and a keen admirer. He is a prominent St. Louis banker, and one of the outstanding men of the nation.

Mrs. Gardner is most gracious, and has a delightful personality.

Photographs were taken of Mr. and Mrs. Gardner beside the old stage coach on the plaza last Monday.

Mr. and Mrs. T. E. Pinckney have returned from a motor trip to the Redwood Highway.

FRONTIER DAY COMMITTEE URGES LOCAL CO-OPERATION

The Frontier Day Committee wishes to urge everyone in the region to wear clothes in keeping with the celebration.

The committee is particularly anxious to see a lot of cowboy costumes on the streets next Saturday and Sunday. Cowboy hats; red handkerchiefs; chaps; boots, etc..

The committee also hopes to see Indian, miner, frontiersmen and other costumes on the street for the celebration.

People in the nearby towns are making elaborate plans to wear "wild west" costumes and it is most urgent that we get the spirit of the celebration and do our best to add the "atmosphere" necessary to make the event just the biggest and best ever.

Everyone! Young and old! Co-operate with us and get out those old "wild west" duds of yours and let's go.

M. E. Church Notice

Rev. P. H. Willis will hold services in the Methodist Church on Sunday morning at 10 o'clock instead of 11 o'clock, the usual hour.

NEW MANAGER FOR RED & WHITE STORE

Ray Dalton was assigned manager of the Red & White Store in Truckee yesterday.

Mr. Dalton comes from Reno and has had many years experience in managing large grocery stores. He was formerly manager of one of the Reno Piggly Wiggly Stores.

Mr. W. K. Gast, supervisor for the Nevada Packing Company, who came to Truckee and organized the new Red and White, has gone to Reno to open up a new Red and White store in that city.

Mr. Gast made many friends in Truckee, and proved himself a most capable and outstanding business man.

Mr. and Mrs. Herbert Love and baby arrived from Colfax on Tuesday and will be located here for some time.

FAT YOUNG HENS from F. F. Kearney Ranch on sale at Toni-ni's Grocery Store each Saturday. Dressed, 20c pound. Leave your order for one.

Pictures of the celebration, stage coach, covered wagons and decorated streets, post card size, may be secured from Roy Feathers, Truckee.—adv.

Mr. and Mrs. O. M. Hirst of Sacramento, are the guests of Mr. and Mrs. Frank Titus. Mrs. Hirst is Mr. Titus' sister.

Chief E. Raymond Cato of the California State Highway Patrol, made a special trip to Truckee last Sunday to meet and confer with members of the National Governors' Day Committee.

Miss Carrie Picket, who owns and operates the Peter Pan Lodge located at Carmel Highlands, has been visiting her sister Mrs. Frank Titus.

Miss Picket spends her annual vacation each year up here in the Sierra mountains.

FOUND: A fish basket and contents on the road between Reno and Truckee. Owner may obtain same by proving property and paying for this advertisement. Inquire at Truckee Republican Office.

Get your post card pictures of the Governors' Day Celebration at Roy Feather's Barber Shop. Send one to your friends who could not be here to meet the Governors.—adv.

Announcement has been made of the birth of a son to Mr. and Mrs. Clyde Murray on July 10th. The baby, who weighed 8 pounds and thirteen ounces, has been named Robert Clyde. Mrs. Murray is the daughter of Mr. and Mrs. P. R. Nelson.

C. E. McKeem of Hobart Mills has received his appointment to the California Highway Patrol.

Mr. and Mrs. H. G. Williams returned last week from a six weeks trip which included St. Louis and the Century of Progress at Chicago.

BOATS FOR SALE: 1 King hull 32 H. P. Johnson Sea Horse motor. Also one Mullins with Universal 45 H. P. marine engine. REAL BARGAINS. Inquire Tourist Garage, Truckee.—Adv.

Mr. and Mrs. W. D. Wedell and son left on Monday for Grass Valley where they will make their future home. Mr. Wedell is employed as druggist at McClures Drug Store in that city.

Miss Betty Sheffield, Society Editor on the Napa Daily Journal and Miss Evelyn Doak of St. Helena, were recent visitors at the home of Miss Sheffield's grandmother, Mrs. S. Marshall Richardson. Miss Sheffield and Miss Doak were on their way to Sardin Lake for a fishing and camping trip, and will return this week and spend the week end and attend the National Governors' Day Celebration.

SPECIAL FOR THURSDAY, FRIDAY AND SATURDAY. Large fancy tomatoes, 5c per lb. Joe Sals's Fruit Store.—Adv.

Jean de Streleki of the Tahoe Tavern, spent Monday afternoon discussing art with Miss Frances Filpelic.

Mr. and Mrs. V. W. Morrill of Oroville are visiting Mr. and Mrs. Robert Bick and Mr. and Mrs. George Moore.

Captain Lockwood, in command of the Truckee C. C. C. Camp at Trout Creek, was a guest of the Chamber of Commerce at the last Monday luncheon. He expressed a desire to co-operate with local business establishments to the fullest extent.

The next weekly luncheon of the Chamber of Commerce will be held at Besios' at noon, Monday, July 24th.

Mr. and Mrs. R. A. Albee are at Donner Lake for the summer.

Mrs. Anita Allison and children of Bremerton, Wash., are visiting with Mr. and Mrs. T. O'Hanrahan. Mrs. Allison is Mrs. O'Hanrahan's niece.

Forestry and Highway Heads Co-Operating With Local Committee

Supervisor Bigelow of the Tahoe National Forest and Charles Weeks, District Engineer for the California State Highway, are both co-operating to the fullest possible extent with the Truckee National Governors' Day and Frontier Committee.

Both the Highway and Forestry Departments are making plans at the California-Nevada state line to insure the celebration for the visiting governors a success. Every precaution will be taken against fires and accidents.

MIDNIGHT BANQUET FOR NEW MEMBERS 40 & 8 SAT NIGHT

A special midnight banquet will be held at the Star Hotel on Saturday night for the newly initiated members of 40 & 8 and their friends.

As stated elsewhere in this issue, the 40 & 8 is an organization composed of legionnaires.

Tent caterpillars, that build large web-like nests in trees and shrubbery and eventually work havoc with the foliage, may be destroyed by spraying used crankcase oil on the nests.

GEORGE ARLISS MOVES UP A PEG IN RANK IN 'THE KING'S VACATION'

In his recent screen characterization, George Arliss has been a captain of industry, a world famous banker, a gifted musician, a secretary of the treasury, an East Indian potentate and a prime minister.

His greatest success has been as a prime minister. Now he has moved up a peg in the cinematic social scale. He is a king in his latest Warner Bros. picture, "The King's Vacation," which will be at the Donner Theatre next Saturday and Sunday night.

In fact it is around his giving up of his kingly prerogatives that the story of "The King's Vacation" is written in a highly humorous vein by Ernest Pascal, with the comedy spiced with delightful romance.

BOXERS—Take Notice

All contestants wishing to take part in boxing for Governors' Day celebration must report at Legion Hall Friday night at 7:30 P. M.
